<i>Time</i>	<i>Topic</i>	<i>Presenter</i>
9:00-12:00	Certification Exam	NDOA Staff

**Continuing Education-CEU's**

The course has been approved for six Nevada continuing education credits (1 hour laws and 5 hours general). You must have a current and valid Nevada Pesticide Applicators Certificate to get CEU's. Please bring your certification card. There is no charge for continuing education credits - individuals attending for CEU's need not be present on October 15.

**Pest Control Operators (PCO's)** are not eligible for continuing education credit at this workshop. Only state certified pesticide applicators will receive continuing education credit.

**The certification exam and study material**

Individuals taking the pesticide certification exam must study for the test. Study material is available from Nevada Cooperative Extension (775) 784-4848 or on line at <http://www.unce.unr.edu/programs/sites/pesticide/> .

**For more information and to pre-register**
